Dear Friends in Christ,

The last two years have brought dramatic changes in the world, in our country, and at Holy Trinity Church. Through the long months of the pandemic, people were separated, isolated, kept away from friends and family. But in all those moments when we may have felt worn down by the turmoil, we were able to rest in the knowledge that not everything had changed because we know that "Jesus Christ is the same, yesterday, today, and forever." (*Hebrews 13:8*)

Our faith hasn't changed. It keeps us grounded, focused, and able to face and live through the outside challenges that confront us. How we live our lives in the church has not changed either. It is what strengthens us day by day.

Thanks be to God that with the coming of the vaccines and an improved understanding of how to combat the pandemic, people are now beginning to venture back out. Many of them are desperately seeking connection, looking for healing, and trying to find their place in this new normal. We, the family of God at Holy Trinity, need to be here to welcome them when they come looking. And we need your help.

We the vestry are asking you to prayerfully consider your financial commitment to Holy Trinity and send in an Estimate of Giving for 2022 so that we can properly plan ministries that will benefit our existing congregation as well the new members and visitors that come to us over the next 12 months. We're hoping you will be willing to take on one or more of the following challenges as we move forward as a parish family, part of the Body of Christ:

- **If you have never given to Holy Trinity, let this be the year.** Join us in supporting Holy Trinity's ministry and begin making financial offerings to your church.
- **If you have never completed an Estimate of Giving, let this be the year.** Take this step and make a personal commitment that helps us to plan for the future.
- **If you are a committed giver, let this be the year** that you prayerfully consider increasing the amount to enable us to expand our mission and ministry.
- **If you are strongly committed to the mission of Holy Trinity, let this be the year** that you commit to participation in a new or additional ministry at church.

Please take a few minutes to read the enclosed brochure, complete the Estimate of Giving card, and mail it to the church or bring it with you on Thanksgiving Sunday, November 21.

Faithfully,

The Vestry of Holy Trinity Church
