

All things come of  
thee, O Lord, and  
of thine own have  
we given thee.

The fall is once again upon us, and although it is far from a normal fall, it is still time to think about our annual financial commitment to our spiritual community and home. Supporting Holy Trinity's mission financially through faithful stewardship is one important way we work together to enrich our common life and exercise our own faith and spirituality. As you read this brochure, we ask you to prayerfully consider your personal financial commitment for 2021.

## All things come from God...

Throughout scripture we are reminded that all that we have comes from God and his faithful people will always receive from his abundance. In love we are inspired to return a portion of these resources to God toward a larger sense of his care and concern for the world. For the faithful Christian, this is expressed in the work of the local parish church. We are a presence to each other and to the community on the street outside. Just as we stand on the foundation of the past, we are now becoming the foundation for the future.

## Exercising our Faith...

In regard to our financial offerings, the Bible has always held up the tithe (10 percent) as the standard of giving. Any percentage can be a starting point as we, with faith, journey closer to the tithe each year.

Giving Table				
Annual Income				
		\$25,000	\$40,000	\$60,000
Percentages	1%	\$4.80/wk	\$7.69/wk	\$11.53/wk
	2%	\$9.60/wk	\$15.38/wk	\$23.06/wk
	5%	\$24.00/wk	\$38.45/wk	\$57.65/wk
	7%	\$33.60/wk	\$53.83/wk	\$80.71/wk
	10%	\$48.00/wk	\$76.90/wk	\$115.30/wk

## Counting Our Blessings...

Even in this unprecedented time, our blessings at Holy Trinity are so numerous, we couldn't begin to fit them on the pages of this brochure. When we ask, "What do you love most about Holy Trinity Church?" the number one answer is always "the people!" We are blessed at Holy Trinity to have a family with which we can celebrate, sing, laugh, cry, and worship.

All that we have comes from our generous God. As disciples of Jesus, we offer the best we can in gratitude and thanksgiving for his unchanging love.

## Today and Tomorrow...

Due to the generosity of parishioners past and present, we are able to gather indoors or outdoors, in person or virtually to worship and to share the joy of our fellowship with one another and with the visitors who come to us looking for a faith family. And, with your support in the year to come, we will be able to continue to reach out both personally and financially and share Christ's love and our abundance with our surrounding community.

*Jesus  
Christ is  
the same  
yesterday,  
today, and  
forever.*

*~Hebrews 13:8*

## Our Ingathering Day will be November 15, 2020.

Please fill in the enclosed Estimate of Giving card and bring it with you this Sunday, November 15 or mail it to the church by November 22nd. Your faithful support of our church ensures that Holy Trinity's ministry will continue, and that the building we call home will be a place for worship and fellowship for many years to come.
