

Reflection

- How have the past two years felt strange and confusing to you? How, if at all, did this week's reading feel the same?
- How are these chapters rooted in identity, both of God and of the people of God?
- What do you make of the premise that the true conflict found in chapter 14 is between forces of creation and chaos?
- Where do you find yourself in the story of uncertainty and unknowing? How, like the Israelites, might you be invited to simply go forward?
